

Technical Memo No. 102a

Lifestyle™/Thermaview™ Awning/Casement Window 00-015 Winder

Stylish New Hinged Window Winder

Lidco is proud to announce the addition of a new universal Window Winder (00-015) for the popular Lifestyle™ Awning/Casement Window (140 System) and Thermaview™ Awning/Casement Window (413 System). This easy to use hinged window winder features a compact fold-over handle and is rated for use for maximum 32kg windows.

The all metal construction gives the winder improved strength and durability. Winder is lockable for added security.

Chain opening size is 300mm. Available in black with steel chain.

These are now available ex-stock for immediate delivery.
