

Technical Memo No. 111

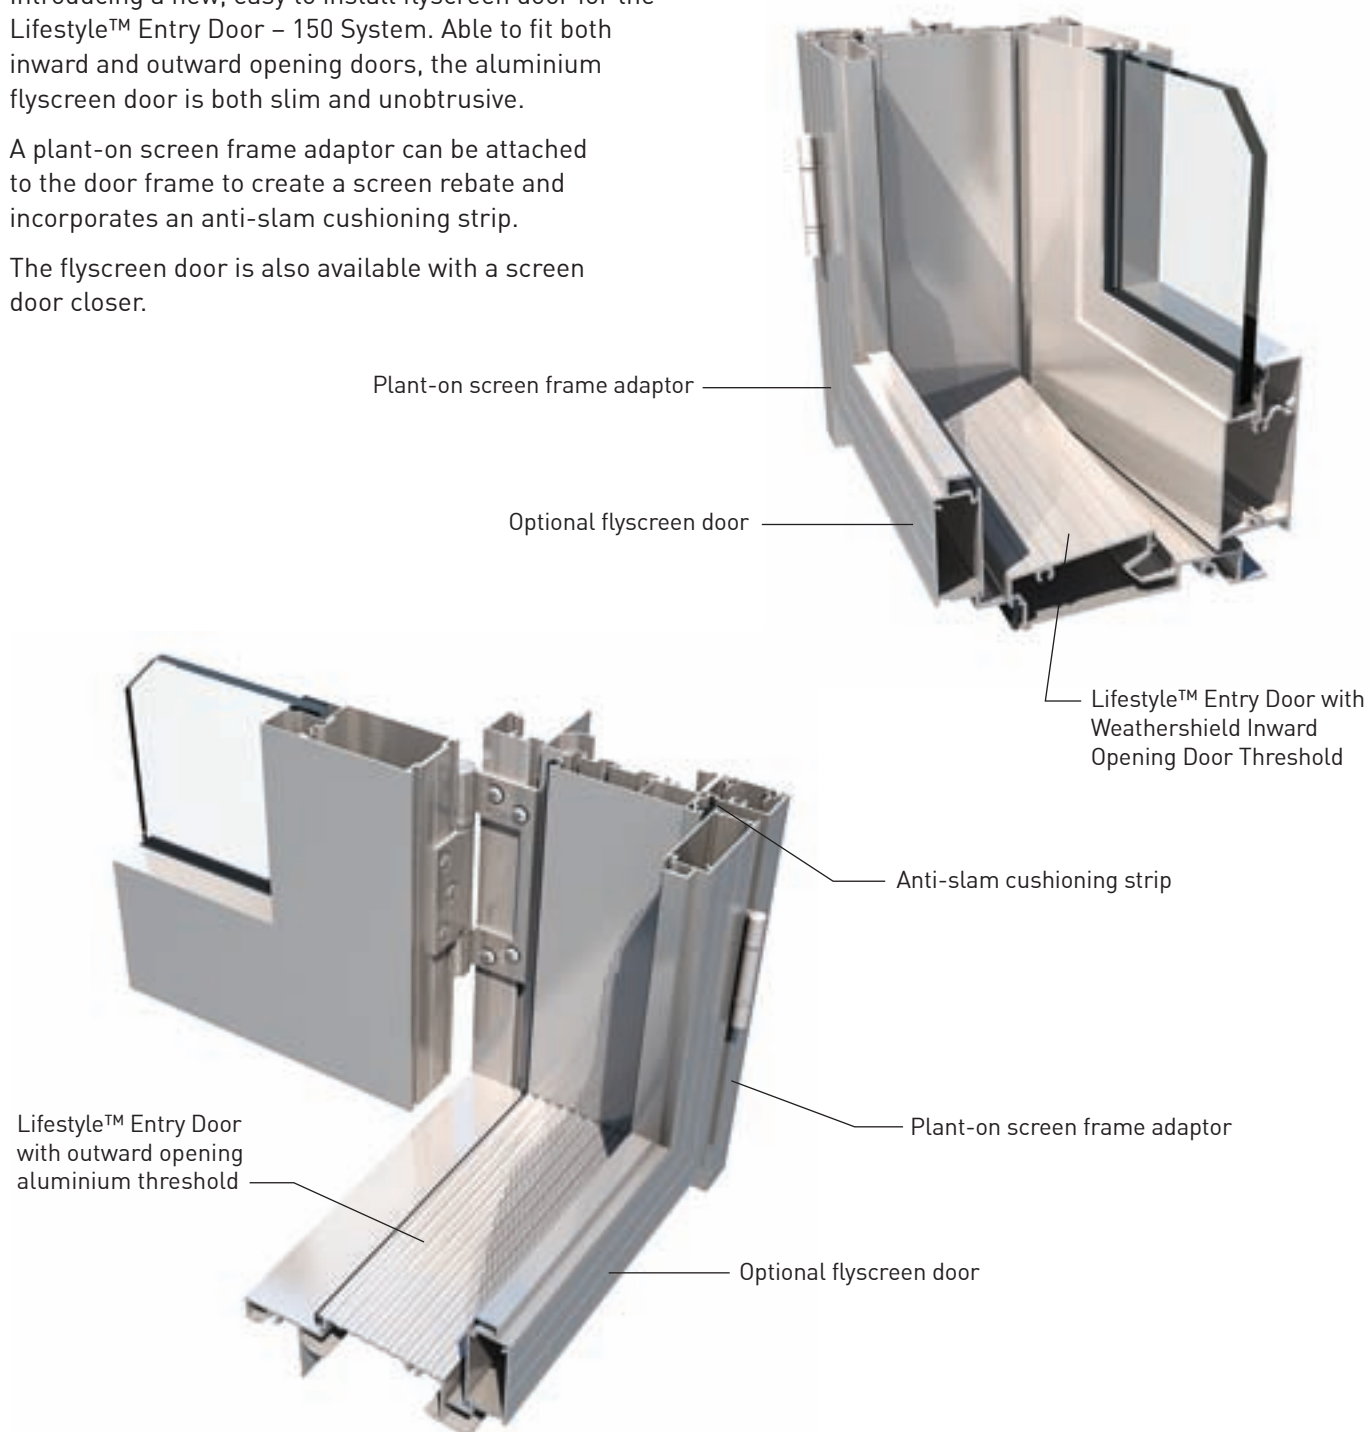

New Flyscreen Door Option for Lifestyle™ Entry Door

Optional Flyscreen Door

Introducing a new, easy to install flyscreen door for the Lifestyle™ Entry Door – 150 System. Able to fit both inward and outward opening doors, the aluminium flyscreen door is both slim and unobtrusive.

A plant-on screen frame adaptor can be attached to the door frame to create a screen rebate and incorporates an anti-slam cushioning strip.

The flyscreen door is also available with a screen door closer.
